A. Negligent acts or omissions on the part of the contractor, the contractor's agents, servants or subcontractors in the delivering of goods and services, or in the performance of the work under the contract; and

B. The use of any copyrighted or copyrighted composition, valid trademark, secret process, patented or unpatented invention or article furnished or used in the performance of this contract.

The owner will not accept Mutual Limitation of Liability Terms.

**1.10 MANDATORY AFFIRMATIVE ACTION CERTIFICATION** No firm may be issued a contract unless it complies with the affirmative action provisions of N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27-1 et seq. as administered by the Division of Purchase & Property Contract Compliance and Audit Unit (Division) and provided below. The contractor will include the language included as Attachment A in this specification.

1. Goods, Professional Services and General Service Contracts  
Each contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:
  - i. A letter of Federal Approval indicating that the vendor is under existing federally approved or sanctioned affirmative action program. A copy of the approval letter must be provided by the vendor to the Public Agency and Division. This approval letter is valid for one year from the date of issuance.
  - ii. A certificate of Employee Information Report (hereafter "Certificate"), issued in accordance with N.J.A.C. 17:27 et seq. The vendor must provide a copy of the Certificate to the Public Agency as evidence of its compliance with the regulations. The Certificate represents the review

Upon submission and review by the Division, the report shall constitute evidence of compliance with the regulations.

**1.11 OWNERSHIP DISCLOSURE CERTIFICATION (N.J.S.A. 52:25-24.2):** No corporation or partnership shall be awarded any contract for the performance of any work or the furnishing of any goods and services, unless prior to the receipt of the bid or accompanying the bid of said corporation or partnership, bidders shall submit a statement setting forth the names and addresses of all stockholders in the corporation or partnership who own ten percent or more of its stock of any class, or of all individual partners in the partnership who own a ten percent or greater interest therein. This requirement applies to all forms of corporations and partnerships, including, but not limited to, limited partnerships, limited liability corporations, limited liability partnerships and subchapter s corporations. Failure to submit an ownership disclosure document shall result in rejection of the bid as it can't be remedied after bids have been opened.

**1.12 AWARDING OF CONTRACT** The Township of Neptune Sewerage Authority will award the contract to the lowest qualified responsible bidder but reserves the right to reject any and all proposals and to waive any immaterial informality as may be permitted by law.

This award of contract shall not be binding upon the Authority until the contract, in accordance with the specifications, is actually executed by the successful bidder and by the proper officials of the Township of Neptune Sewerage Authority.

The Authority shall award the contract or reject all bids within sixty (60) days except that the bids of any bidders who consent thereto may, at the request of the contracting unit, be held for consideration for such longer period as may be agreed. No bids may be withdrawn during this sixty (60) day period.

The inability of any vendor to bid on all items listed under each category on which that party is bidding may preclude consideration of the bid. The contract shall be awarded to that agency which provides the lowest overall bid, considering all items are bid or otherwise calculated in for award purposes. Bids shall be reviewed to determine any unbalanced bidding. Unbalance bidding shall be cause for rejection.

**1.13 CAUSES FOR REJECTING BIDS** Bids may be rejected for any of the following reasons:

- B. If more than one bid is received from an individual, firm or partnership, corporation, or association under the same name;
- C. Multiple bids from an agent representing competing bidders;
- D. The bid is inappropriately unbalanced;
- E. If the successful bidder fails to enter into a contract within 21 days, Sundays and holidays excepted, or as otherwise agreed upon by the parties to the contract. In this case at its option, the owner may accept the bid of the next lowest responsible bidder (N.J.S.A. 40A:11-24b).

**1.14 VENDOR QUALIFICATIONS** All bidders shall provide certification demonstrating its ability to perform this contract. **1.15 CONTRACT PERIOD** The contract period shall be for one (1) year from the date first appearing thereon unless otherwise specified by law.

In accordance with 40A:11-15 of the Local Public Contracts Law, the Authority reserves the right to extend this contract, when mutually agreed upon between the Authority and the contractor. The extension may not be more than two one-year periods or one two-year period at the current contract price, terms and conditions by mutual agreement with the contractor. The contract extension shall be awarded by resolution of the governing body only upon a finding by the governing body that the services are being performed in an effective and efficient manner.

**1.16 BID PRICES** The bid shall be based upon the descriptions provided on the “Bid Form” and from the technical specifications attached hereto. The bid shall be based on “top of the line” quality items and/or service shall be quoted f.o.b. Township of Neptune Sewerage Authority, P.O. Box 765, 634 Old Corlies Avenue, Neptune, New Jersey 07753.

Full replacement shall be provided by the successful bidder should any item and/or services supplied fail to perform in accordance with the standards of “top of the line” quality as known by the trade.

The successful bidder shall make delivery of services and/or installation as requested to the Township of Neptune Sewerage Authority at no additional charge.

**1.17 ESTIMATED QUANTITIES** (Open-Ended Contracts, Purchase as Needed) The owner has attempted to identify the item(s) and the estimated amounts of each item bid to cover its requirements; however, past experience shows that the amount ordered may be

different than that submitted for bidding. The right is reserved to decrease or increase the quantities specified in the specifications pursuant to N.J.A.C. 5:30-11.2 and 11.10. NO minimum purchase is implied or guaranteed.

Contractor shall be responsible for obtaining any applicable permits or licenses from any government entity that has jurisdiction to require the same. All bids submitted shall have included this cost.

Bidders shall insert prices for furnishing goods and services required by these specifications. Prices shall be net including any charges for packing, crating, containers, etc. All transportation charges shall be fully prepaid by the contractor. No additional charges will be allowed for any transportation costs resulting from partial shipments made at vendor's convenience when a single shipment is ordered.

**1.18 FIRM FIXED CONTRACT** This is a firm fixed contract, prices firm. No price escalation. The vendor/contractor shall void the contract and permit the owner to solicit open market prices should any price increase or surcharge be imposed if warranted by the owner.

**1.19 EQUIPMENT SPECIFIED** The contractor shall submit bid prices for the items in the proposal based upon the equipment named. If the contractor is proposing an alternate product or equipment, the contractor must submit page 42 entitled "Application for Acceptance of Substitute Equipment and/or Material" at the time of bid for consideration. The use of alternate product or equipment which the contractor believes to be equal to that specified must be in accordance with the following:

1. All other additional costs incurred by the Owner as a result of the substitution of any product or equipment shall be borne by the contractor.
2. All deductions or additions as a result of a difference in costs between the product and equipment shall be deducted from or added to the contract. The contractor shall state the difference in product or equipment costs of any proposed substitution.
3. The contractor shall submit proof of eligibility of the product or equipment proposed for substitution.

When a type or quantity of the product or equipment is required for any particular unit of the work, the bidder should make arrangements for securing such product or equipment in all cases where the contractor does not own or control it. The bidder warrants when a bid is submitted, that a contractor has or can secure the necessary labor and product or equipment and has assured that the materials intended to be used comply with the requirements of the specifications and can be secured in the required quantity and at the time desired.

**1.20 PROMPT PAYMENT REQUIREMENTS** Requests for payment of goods or services delivered shall be made on Township of Neptune Sewerage Authority vouchers with copies of supplier's invoices attached which shall specify the quantity, description, unit and extended prices of each item delivered. Payments shall not be provided on a frequency less than a monthly basis after services are rendered and vouchers are timely submitted for review and processing.

**1.21 INTENT OF SPECIFICATIONS** The equipment and/or service specifications in this bid package are intended to specify equipment and/or service in terms of performance and function. No part of this specification should be interpreted as representing or recommending a particular brand of equipment. It should be noted, however, that only manufacturer's publicly identified "top of the line" equipment will be accepted.

**1.22 TERMINATION OF CONTRACT** If through any cause, the successful bidder shall fail to fulfill in a timely and proper manner obligations under this contract, or if the contractor shall violate any of the requirements of this contract, the Authority shall thereupon have the right to terminate this contract by given written notice to the contractor of such termination and specify the effective date of termination.

Such termination shall relieve the Authority of any obligations for balances due to the contractor of any sum or sums set forth in the contract.

In case of default by the successful bidder, the Authority may procure the goods or services from other sources and hold the successful bidder responsible for any excess cost occasioned thereby.

At any time should the Authority determine that any or all of the services discussed herein become unnecessary; the Authority reserves the right to terminate any or this entire contract upon thirty days written notice.

Strikes, walkouts or other such instances shall be reason for the Authority to immediately acquire other services until such time the contractor can again complete the remainder of the contract. Such actions may also be cause for the Authority to terminate the contract, at the Authority's discretion.

The owner may terminate the contract for convenience by providing thirty (30) calendar days advanced notice to the contractor.

Continuation of the terms of this contract beyond the budget year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the Authority reserves the right to terminate this contract upon thirty days written notice.

Neither party shall be responsible for any resulting loss or obligation to fulfill duties as specified in any of the terms or provisions of a contract if the fulfillment of any term or provision of the contract is delayed or prevented by any revolutions, insurrections, riots,

wars, acts of enemies, natural emergencies, strikes, floods, fires, acts of god, or by any cause not within the control of the party whose performance is interfered with which by the exercise of reasonable diligence such party is unable to prevent. Additionally, if the fulfillment of any of the terms and provisions of the contract is delayed or prevented by any court order or action or injunction or other such agreement, the contract shall become voidable by the owner by notice to the parties.

**1.23 NEW JERSEY BUSINESS REGISTRATION REQUIREMENTS** Pursuant to N.J.S.A. 52:32-44, the Authority is prohibited from entering into a contract with an entity unless the contractor, and each subcontractor that is required by law to be named in a proposal has a valid Business Registration Certificate on file with the Division of Revenue and Enterprise Services within the Department of Treasury.

Prior to contract award or authorization, the contractor shall provide the Authority with its proof of business registration and that of any named subcontractor(s). Subcontractors named in a bid or other proposal shall provide proof of business registration to the bidder, who in turn, shall provide to the Authority prior to the time a contract is awarded or authorized.

During the course of contract performance:

1. The contractor shall not enter into a contract with a subcontractor unless the subcontractor first provides the contractor with a valid proof of business registration.
2. The contractor shall maintain and submit to the Authority a list of subcontractors and their addresses that may be updated from time to time.

The contractor and the subcontractor providing goods or performing services under the contract, and each of their affiliates, shall collect and remit to the Director of the Division of Taxation in the Department of the Treasury, the use tax due pursuant to the Sales and Use Tax Act, (N.J.S.A. 54:32B-1 et seq.) on all sales of tangible personal property delivered into the State. Form NJ-REG can be filed online at [www.state.nj.us/treasury/revenue/busregcert.shtml](http://www.state.nj.us/treasury/revenue/busregcert.shtml).

Pursuant to N.J.S.A. 54:49-4.1, a business organization that fails to provide a copy of a business registration as required, or that provides false business registration information, shall be liable for a penalty of \$25 for each day of violation, not to exceed \$50,000, for each proof of business registration not properly provided under a contract with a contracting agency.

**AMERICANS WITH DISABILITIES ACT OF 1990**  
**Equal Opportunity for Individuals with Disability**

I/we \_\_\_\_\_ and the Township of Neptune Sewerage Authority, (hereafter “owner”) do hereby agree that the provisions of Title 11 of the Americans with Disabilities Act of 1990 (the “Act”) which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants and employees from and against any and all suits, claims, losses, demands or damages, of whatever kind or nature arising out of or claims to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner’s grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceedings results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
