

WASTEWATER TREATMENT PLANT ASSISTANT SUPERINTENDENT -

Township of Neptune Sewerage Authority, Monmouth County. TNSA is seeking an Assistant Superintendent for the Authority's 8.5 MGD Advanced Wastewater Treatment Plant. Position requires ten (10) years' experience managing and operating a Wastewater Treatment Plant in the capacity of an Assistant Superintendent or supervisor, S3 license issued by the NJDEP and a valid driver's license. Must possess strong management, leadership, decision making and communication skills. The Assistant Superintendent will work directly under the Superintendent and shall be responsible to assist with the management of the workforce, maintenance of the treatment plant and facilities, be available for emergencies, on-call, assist in daily work assignments and NJDEP compliance reporting. Salary will commensurate with the selected applicants qualifications, education and experience. The Authority offers an excellent compensation package. Qualified applicants may submit a completed TNSA employment application, resume and cover letter to Tina M. Cunningham, Executive Director at dellapietro@tnsa-nj.org. The Authority reserves the right to interview candidates as applications are received. The Authority is an Equal Opportunity Employer.
