

**WASTEWATER TREATMENT PLANT SUPERINTENDENT** - Township of Neptune Sewerage Authority, Monmouth County. TNSA is seeking a Superintendent for the Authority's 8.5 MGD Advanced Wastewater Treatment Plant. Position requires ten (10) years' experience managing and operating a Wastewater Treatment Plant in the capacity of Superintendent or Assistant Superintendent, a valid S4 and C4 license issued by the NJDEP and a valid driver's license. Must possess strong management, leadership, decision making and communication skills. The Superintendent is responsible for the operation and maintenance of the WWTP and exercises direct authority over all plant functions and personnel in accordance with approved policies and procedures. Salary will commensurate with the selected applicants qualifications, education and experience. The Authority offers an excellent compensation package. Qualified applicants may submit a completed TNSA employment application, resume and cover letter to Tina M. Cunningham, Executive Director at [dellapietro@tnsa-nj.org](mailto:dellapietro@tnsa-nj.org). The Authority reserves the right to interview candidates as applications are received. The Authority is an Equal Opportunity Employer.
