Mayor and Council

Dear Mayor and Council,

Congratulations on receiving the Statewide Insurance Fund safety and loss control award for 2023!

Since its inception, Statewide's mission statement has been to provide comprehensive insurance at affordable costs to New Jersey public entities. One of the pillars of our program is to provide a robust and expansive safety and loss control program which helps to reduce the number of claims or their severity.

Your commitment to safety and risk management has a direct correlation to the cost of insurance, not only for your town but for all fund members.

The Executive Committee is pleased to present you with a check in the amount of \$300.00 and the enclosed award in recognition of your town's participation in risk management and efforts to control losses in the 2023 Fund Year.

We appreciate being able to provide Neptune Township Sewerage Authority with your insurance program and thank you for all that you do to make our organization successful.

Sincerely,

Caroline Conboy  
Fund Administrator
