

**WASTEWATER TREATMENT PLANT MAINTENANCE MECHANIC** – Township of Neptune Sewerage Authority, Monmouth County is seeking a full-time Maintenance Mechanic for the Authority's 8.5 MGD Advanced Wastewater Treatment Plant at a salary range of \$75,000 - \$90,000. Must be knowledgeable in the operation of secondary wastewater treatment facilities; responsible for the maintenance of mechanical and electrical equipment used in secondary sewage treatment processes, scheduling and recordkeeping of maintenance activities; and knowledgeable in preventative, predictive and corrective maintenance practices. Welding, plumbing and pipefitting skills are desirable. Must be able to read plans, schematics, specifications and work from O&M Manuals. At least seven (7) years of experience in the maintenance and operation of a wastewater treatment facility or equivalent and must possess and maintain a valid New Jersey driver's license. S-2 & C-2 license issued by the NJDEP is preferred. Salary will be commensurate with the selected applicant's qualifications, education and experience. The Authority offers a comprehensive benefits package offering paid vacation, sick leave, personal time, holidays, health benefits, and participation in the NJ Public Employees Retirement System. Qualified candidates should submit a completed TNSA employment application, resume and cover letter to the Executive Director at P.O. Box 765, Neptune, NJ 07753 or via e-mail at [dellapietro@tnsa-nj.org](mailto:dellapietro@tnsa-nj.org). Applications are being accepted until the position is filled. EOE.
